

Club Display Competition Judging Form

Club	Theme: Classic Day at the Races	Quality of:		Effort	Totals	Place
		Cars	Props			
Key Response	This category is about the relevance of the display to the theme for the year. Higher points will be given to the response to the theme being "obvious" and not requiring explanation to the judges or the public. In this category will also be marked the "X" or "Wow" factor for the display. Celebrity judges will contribute to the scoring in this particular attribute	Like the Team's event, Masters and Survivors classes, the cleaner and better condition cars will receive the higher number of points. Cars with particular relevance to the theme for the year will gain a high number of points	Clever use of items other than the cars in the display will bring the greatest number of points. The dollar amount spent on props will not be taken into account	This category will reward the Club for the amount of time and effort spent in designing, building and organizing the display. More points will be given to displays that require more teamwork from within the Club		
Maximum Score	10	10	10	10	40
